

CHERRY BLOSSOM REVIVAL RUN

Saturday, May 25, 2013

Ride leader: Dan Terrien 920-562-2191

For many years COB held a Cherry Blossom Run, often teaming up with Valley Vettes to parade through the orchards of Door County. It has been over a decade since the last one. With a late blooming season, help from Mike Cropsey and encouragement from Valley Vettes, I'm reviving the run.

Remember, that confusing directions, the risk of bad weather, crazy Chicago drivers and run-ins with manure spreaders are all part of the adventure. You only live once, so kick the hammer down and ENJOY THE RIDE!
