Club Members,

The season of Corvette driving is only a few months from the end, yet there are plenty of great runs left to take part in. Review the website calendar of events and pick the ones that best suit your taste and time constraints. From simple day runs to overnight runs, they are all planned very nicely to accommodate anyone that is interested in joining in on any of these runs.

The club's 2nd annual Halloween Costume Party is set for October 25th at Wally's Spot with costumes preferred and Elvis playing live. You will have a great time!

The Fall Run to Chippewa Falls is also a great trip to plan on making this year.

I hope as time winds down for the Corvette driving season, all of our members stay in touch with what they enjoyed about some of the events and runs to help promote them next season as a sure-to-repeat run or event. We can always use new runs and events set into motion. If interested please bring your idea forward to any of the board members or welcome club committee and any of us can help to make your run or event a huge success.

Thanks to all the volunteers that make the club great, from our officers to the board members and all of our active membership. These are all volunteer positions and I realize the President's position is like another full-time job.

Please use the monthly comment sheets at the meeting to give us ideas or comments on runs or events. They will help to make the club even better!

Thank you,

Mike Cropsey

President, Corvettes of the Bay
