CLUB MEMBERS,

August. Seriously!?! I swear that yesterday was the first day that I put shorts on this year; yet, unless the calendar is lying to me, it is already August. Unfortunately, not only does this mean that Summer is starting to wind down, it also means that Corvette-season has officially passed "hump day." We've only got about two(ish) months left before the cars get tucked away for six months and we will be forced to wallow in the gloominess and despair that is a Wisconsin winter (in case you can't tell, I am not a winter person...).

No matter, though, because we've still got lots of stuff coming up to distract ourselves from that harsh reality. Our very own Corey Romasko and Lindsey Nordin are hard at work planning our Fall Run. While all the details haven't been finalized yet, there have certainly been rumors about the run going through the incredibly fun Ho(oooo)ly Hill, and potentially winding up with an overnight stay at a casino "up der in da U.P.". If that is where we end up staying, I, for one, plan to come home a millionaire. It's a sure thing, right? In any event, stay tuned for more details from Corey and Lindsey as to when, and where, the fun will happen.

We are also in the beginning stages of one of the most important times of the year for the Club – Officer and Board Member election season. As I mentioned at the meeting earlier this week, an Election Nomination Committee will be appointed at the September Club Meeting and any Member who is interested in running for an Officer or Board position can put his/her hat in the ring. Voting for *all* Officer and Board Member positions will take place between the October meeting and the December Annual Meeting. In addition, while not an official Board position, we will be seeking a Member to be the Newsletter Editor for the upcoming year.

I have said this time and again, and I can't stress enough how much I mean it: This is not the "Board's" Club, it is not the "Officer's" Club, and it is not the "President's" Club. ***It is Your Club.*** While the Board and the Officers have the responsibility of carrying out the oversight of Club functions, their primary goal is to help guide the Club in the direction the ***Members*** want to go. Each of us (me included) has a voice and, whether we express them or not, we each have opinions on how the Club should run, what events we should hold, and what we would like to see the Club do in the future. Being a Board Member or Officer is a great way for you to help effect the change you want to see in the Club - *I highly encourage each and every one of you to run for a Board and/or Officer position.* If you have questions about what the position(s) might entail, flag me down! I'm always willing to chat. I hope to see lots of names on the ballots!

See you soon and, as Red Green would say (if he owned a Corvette), "Keep your tires on the road!"
