## CLUB MEMBERS,

Although most people who know me would say that it isn't possible, but I am going to try to be fairly brief in this letter. I have only two topics that I want to discuss, but both of them are very important. So, here goes.

First, the voting for the monthly meeting time Bylaw Amendment kicks off this month. More specific details are provided later in this Newsletter, but here is the long and short of it: If the Amendment passes, the Board of Directors will set, at the January Board Meeting, the meetings time for the following February through January. This would allow the Board to have some flexibility to appropriately deal with conflicts and, perhaps most importantly, determine whether meetings during the winter months should start earlier. As a reminder, the Amendment will only pass if it gets a "Yes" vote by 2/3 of all paid Members. Please make sure to cast your vote.

Second, we are nearing the end of the year and it is time to start seriously thinking about the upcoming Board and Officer elections. All Board and Officer positions are up for election for the coming year. As I've mentioned at the past few meetings, I will be stepping down as President after this year. While I have certainly enjoyed my time leading the Club over the last two years, I think it's time to let someone else take the reins and push the Club towards bigger and better things. I have spoken with the remaining current Officers (Vice-President, Secretary, and Treasurer), and I can officially confirm that they will all be stepping down after this year. As a result, we need a whole new set of officers next year. Unfortunately, no one has yet expressed an interest in any of these positions. Please, if you enjoy being a part of this Club, consider running for an Officer and/or Board position. Without people in these positions, the Club simply won't be able to operate – not to mention the fact that, if no one runs, we will look pretty strange sitting at Wally's Spot staring at an empty podium waiting for something to happen. Please reach out to any of the current Board Members if you have any questions about these roles.

Okay – I lied – I have three things to talk about. I'm going to abuse my Presidential powers for a moment and use this letter as a chance to wish a very special happy birthday to my lovely wife, Alicia! Alicia will be turning XX years old on August 12<sup>th</sup> (come on – you didn't really think I would give out her real age, did you? My couch is comfy, but it's not THAT comfy...). If you see her, wish her a happy birthday!

Until next time...

*Justin Bauer*, President, Corvettes of the Bay

Gandrud Car Show, Saturday, 8/6/16 from 9am to 2pm with 90 trophies and a raffle for a 350 engine.

Greg Rhode mentioned he will be attending the Carlisle, PA, swap meet soon.

As we've discussed at a few meetings, a motion was made to amend the Bylaws to potentially change the time of the Monthly Meetings. As proposed, the Amendment would allow the Board of Directors to set, at the beginning of each year, the Meeting time for each month of that particular year. As an example, the Board would meet in January of 2017 and establish the starting time for each monthly meeting for the 2017 year. Thus, certain Monthly Meetings (e.g. during the winter months) could be at 7:00 p.m., while others may still stay at the 8:00 p.m. timeframe. Members will have two ways to vote: 1) by sending in the ballot that will be contained in the September Newsletter, or 2) by voting in person at the October Meeting. Please remember – in order to pass, the Amendment would need to be approved by two-thirds of all Members of the Club (not just those present at the October meeting).

Justin Bauer announced there is a need for new officers and board members for next year. If anyone is interested, please talk to Justin or one of the Board Members.

President Bauer asked everyone to please clean up the tables before leaving.

The meeting was adjourned at 8:28pm.

## Bylaw Amendment to Allow Board of Directors to Set Meeting Time

In accordance with the Bylaws, during the July 2016 meeting, a written proposal was submitted to the Secretary that was signed by 10 members in good standing requesting that Section 4.07 of the Bylaws be amended to state as follows:

“Regular monthly meetings shall be held on the first Tuesday of each month. The Board of Directors shall set and communicate to the Members, by no later than January 15<sup>th</sup> of each year, the start time for each monthly meeting for remainder of such calendar year and January of the following year (e.g., the Board shall set, in January at the commencement of that Board’s term, the start time for each of the monthly meetings for the following February - January).”

The proposed Amendment was presented to the Club, and opened for comments, questions, suggestions, and general discussion at the June and July 2016 Monthly Member Meetings. Voting may be made via written ballot and via in-person ballot voting at the October Monthly Member Meeting. If you prefer to vote prior to the October Meeting, ballots (along with instructions for submitting your ballot) will be provided in the August and September Newsletters. Ballots will be provided at the October Monthly Member meeting for anyone who does not vote prior to that meeting.

Passage of the Amendment requires a “Yes” vote by 2/3 of all paid Members of the Club (failure to vote is equivalent to a “No” Vote).
