CLUB MEMBERS,

Club members, Happy New Year to everyone!

I'm Tony Steffen, a fairly new member and president of the club this year.

I've enjoyed the club and the people over the last year and a half. I'm looking forward toward 2017 to be another great year, with the runs and events as good as 2016 or better.

A successful year will depend on all our great club member volunteers. I've found that sharing ideas, building upon them and dissecting them often comes to a great result. You don't need to be part of a formal committee to share an idea that someone else can carry further. I realize that some people don't like to stand up in a crowd and ask questions or make suggestions, so feel free to come to the board before or after a meeting or contact us any time if you have an idea. Remember there are no dumb questions and every idea is a good one.

Debbie VandenAvond has graciously offered to lead the planning committee and will be the main contact person this year. If the summer party is an example of her help in planning, we're going to have a great 2017. Debbie is in the process of putting a committee together and already has names of some volunteers. Let her know if you are interested. Again, run ideas are welcomed from all members. Share your idea and then feel free to run with it and make it yours.

Typically runs have taken place on weekends which works well for many. Given the diversity of our group, keep in mind that some will find weekday runs fit their schedule better, so if a weekday run appeals to you, go for it. There are always members who will want to participate.

With this refreshing new year of 2017, I wish you all good health, safe driving and hurry up spring! And for Z06 owners, weather above 35 degrees!

Tony Steffen, President, Corvettes of the Bay
