## Dear Corvettes of the Bay Members,

November 11, Veterans Day. We owe the freedom we have in the United States to these brave people. Hopefully our future will have many people willing to stand up for our country and our way of life. Please remember to thank a veteran.

Good discussion at our meeting. Isn't it fun to have a lively discussion, people speaking up, instead of everyone listening to me? We have volunteers for a couple of 2018 events. What a great ending for 2017 and a great beginning for 2018 to have volunteers already. It may seem like beating a dead horse, but we must remember that this a volunteer club and to make it a success, we depend on everyone in one way or another. If every body does something, a few don't need to do it all.

I don't want you to over think the discussion about sponsorships - the club is in good financial standing. The point was to foster ideas in the unlikely event that we have a major shortfall. I think proactive is the word.

Sadly, it's time to store the corvettes, unless you're a snowbird with a trailer to take it to a warm climate.

Please complete and return your membership renewal form with payment. According to our bylaws (page 3, section 4.05. Dues) "Annual dues are payable on or before the first Tuesday in January." Prompt payment is appreciated. If you have a chance, take a few minutes to review the bylaws on the website; it's a good way to understand the operation of our club. Scroll down to "view the club bylaws" on the right-hand side of the home page.

I hope everyone has a Happy Thanksgiving with friends or family or whoever you choose to spend the time with. Isn't it fitting that Veterans Day falls in the same month as Thanksgiving?

And this brings us back again to: **REMEMBER TO THANK A VETERAN.**

Tony Steffen, president

**Income sources for the Club:** President Steffen asked members to think of possible ways to replace the lost income from the 50/50 drawing, which averaged \$900.00 a year.
