Dear Corvettes of the Bay Members,

Great meeting once again last night.

Hope all you snowbirds are enjoying yourselves, although it appears weather outside of Wisconsin is not that great either. The groundhog disappointed us, although shadow or not, it's still six weeks until spring. Duh!

Rick Northrop's "tip of the month" was well done and very informative. Learned a lot. Complete with where to buy the tools and products he demonstrated. Thank you Rick.

A couple of members shared some new ideas for events and runs. All of you, please share other opportunities for the club to support local non profits and community events. If we can attend and show our cars at the event, it will be a "draw" for people to attend and at the same time we can individually support the organization. Everyone please read the minutes for all dates and times of upcoming events and runs. More details will be posted on the website as they become available.

The date for the dinner run is in the minutes and will be posted on the events page.

In closing, circling back to where I started this message, spring is headed our way, however slowly it may seem.

Tony Steffen, president
Corvettes of the Bay
