**Dear Corvettes of the Bay Members,**

You may have noticed I was not at the meeting! Don Vanden Avond, our club vice president and (2019 president) did a fine job of facilitating the meeting. A big thank you to Don for filling in for me.

We are saddened to hear of Bob Klessing passing. I didn't know him, but I'm pleased to hear several members shared some memories of him.

The scrip program seems to be working out really well, with more members participating. This is an easy way to increase our club income and costs us nothing! Since we are dependent on member dues for our entire income, it helps to have the extra dollars from Scrip purchases to help ensure we will have enough money to cover club expenses and activities. As a reminder, you can purchase cards at face value and the club receives 10% of the purchase price. Pay for the cards with cash or personal check and use them at Shell gas station in Wisconsin and Upper Michigan. Cards are available in \$50 and \$100 denominations.

There certainly are a lot of choices if we want to drive our cars! The fun runs in July were excellent and there are quite a few planned this month too. Going on a run is the single best way to get to know fellow members. If you have an idea for a run, go ahead and plan it, then inform Keith so it gets on the calendar and published to the membership.

Be sure to check the website for up coming events and car shows you may want to attend.

The summer party is coming up quickly. Hope to see everyone there. Justin and Alicia Bauer are busy planning all the details.

Til next time,

Tony Steffen, President
