Dear Corvettes of the Bay Members,

As mentioned in the meeting last night, we are looking for a president-elect for 2019. That person would serve as vice president in 2019 and move to the president role the following year. Details about the duties of all board of directors are now available on the website. After you log in, scroll to the bottom of the screen and click on "Board and Officer Duties." Please consider volunteering for this position.

Participation in the Scrip program is starting to gain momentum. Remember the club receives 10% of the scrip card purchase. This compares to 1% cash back you might receive from your personal credit card.

It's September and our Corvette season is coming to a close but we still have nice driving weather and quite a few runs planned, including one daytime run during the week for those fortunate people who are retired (or whoever wants to skip work). We also have an impromptu ice cream run that is sure to bring smiles to the faces of future Corvette drivers. Be sure to check the website.

It was fun to have two dinner runs in August. We should give a thought to trying that again in September and October. (An excuse to fatten up for the winter.)

Let's enjoy the time we have with early fall.

Tony Steffen, President
