Dear Corvettes of the Bay Members,

October is a significant month for the Corvettes of the Bay. I announced at the meeting that October 1, 1974 was the very first meeting of the club. Thank you to the founding members for the foresight. This month marks 44 years and we are going strong.

The very first newsletter from October 1974, stated the club had 39 paid charter members and include a list of their names. The list included Dan Lardinois, Mike Hannon, Harry Liebergen and Mike Smet who have maintained their membership to the current day. Noting that Dan Lardinois has been designated an honorary member for some time, the board of directors voted to bestow honorary membership to the three additional original members who met the same criteria. As honorary members, these four people will have their membership dues waived for their lifetime as stated in the by-laws. The announcement was met with applause from those in attendance. It's remarkable that four of our members have maintained membership for 44 years! Congratulations to all.

November is an important meeting month for the club, so please plan to attend. We will vote on a board of directors for 2019. I want to emphasize that though we have a partial slate of potential officers and board members for next year, we welcome all candidates for any and all positions who have an interest in serving your club as a board member.

Please consider submitting your name for a board position and/or nominating someone else. We are especially in need of a volunteer for vice president, as no one has stepped forward so far. The website has job descriptions for each board position. Click on Board and Officer duties at the bottom of the member page after you login.

If you want to volunteer for a board position or nominate someone, please contact me or any current board member. Candidate names will also be accepted at the meeting and a vote will be taken.

For the month of October, anyone willing to lead a dinner run or even select a restaurant to meet at, please get in touch with Keith and he can send out an email. Keithabauer@gmail.com

October may the last month to drive our cars, so if you have an idea for a run on a weekend (or weekday), let's not waste the days we have left. There are usually a lot of beautiful days in October. A last minute announcement works too.
